What was/were the objective(s) of this lesson?

To teach the students major and minor chords

What National Standard(s) do you think was/were addressed in this lesson? (Please be specific (e.g., Anchor Standard 4: Analyze, interpret, and select artistic work for presentation).)

the students were challenged to analyze the sounds and interpret how it made them feel

What Virginia Standard(s) of Learning for Music do you think was/were addressed in this lesson? (Again, please be specific (e.g., K.6: The student will demonstrate a steady beat, using body percussion, instruments, and voice).)

they got to strum an instrument, I think that was a good example of having a musical

How did the teacher accomplish her/his objectives?

by having the students express their feelings of music through drawing

How did the teacher assess individual students' understanding?

by asking to see the students drawing and then asking if it is in major or minor

What does the teacher do that seems to help student learning in this classroom?

He had them draw the feelings they had when they heard music in different styles

What does the teacher do that seems to hinder student learning in the classroom?

We watched a long video and itself it lost the students attention after a while
